Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BACK PORCH RADIO BROADCASTING, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2014 and 2013

Back Porch Radio Broadcasting, Inc. (WORT) is a not-for-profit radio station that broadcasts from Madison, Wisconsin under the call letters WORT-FM. WORT began operations in 1975 and offers a wide variety of music and community-oriented broadcasts. The station is non-commercial and depends primarily upon contributions from the general public and grants from the Corporation for Public Broadcasting (CPB) for funding. The following summary of significant accounting policies is presented to enhance the usefulness of the financial statements to the reader.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

WORT is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by WORT in perpetuity.

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Pledges Receivable

Pledges receivable consist of amounts due from listener sponsors for recent pledge drives and grants from government entities, which are all due within one year. Pledges receivable are shown net of an allowance for uncollectible pledges of \$27,149 and \$32,393 at June 30, 2014 and 2013. This amount is based on the collection of pledges from previous pledge drives. Management has set the uncollectible estimate to 5% and 6% for the years ended June 30, 2014 and 2013.

Inventory

Inventory is valued at lower of cost or market on the first-in, first-out (FIFO) method. Inventory consists of parts for use in equipment repairs and premium items to be given to donors.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Property and Equipment

Purchases of property and equipment that exceed \$1,000 are capitalized at cost and depreciated using the straight-line method over the assets' estimated useful lives. Certain purchases of equipment are made with grant funds. In the event the grant terminates in future years, the equipment may have to be returned to the grantor.

Property and equipment, if donated, is recorded as support at its estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor restrictions regarding how long those donated assets must be maintained, WORT reports expirations of donor restrictions when the donated or acquired assets are placed in service and reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Revenue Recognition

Funds provided by the grantor or other outside party for particular services are deemed to be earned and reported as revenue when WORT has incurred expenses in compliance with specific requirements. Such amounts received, but not earned, are reported as deferred revenue. Such amounts earned, but not received, are reported as accounts receivable.

Contributions

Contributions are recognized when the donor makes a promise to give that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. When a restriction expires, temporarily restricted net assets are classified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions

Income Tax Status

WORT is a nonprofit public charity organized under Internal Revenue Code Section 501(c)(3) and is therefore not subject to federal and state income or franchise taxes.

WORT's federal exempt organization information is subject to examination by the Internal Revenue Service, generally for three years after they are filed. With few exceptions, WORT is no longer subject to such examinations for tax years before 2010.

Date of Management Review

Management has evaluated subsequent events through December 29, 2014, the date which the financial statements were available to be issued.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expense Allocation

The costs of providing WORT's programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. The following programs and supporting activities are included in the accompanying financial statements:

Broadcasting – Includes radio tower rental, broadcasting equipment costs and other expenses related to the dissemination of non-commercial, educational radio programming.

NOTE 3 – BONDS PAYABLE

Debt consists of various building bonds payable totaling \$1,734 at June 30, 2014 and 2013 that have been issued to the general public in denominations of \$250 to \$1,000. Rates range between 8.5% and 9.5% for terms between 1 year and 5 years with interest compounded annually and payable upon maturity. The bonds are secured by real estate. All of the bonds have matured, and no interest was paid in the years ended June 30, 2014 and 2013.

NOTE 4 – NET ASSETS

Board designated net assets at June 30, 2014 and 2013 were comprised of \$175,000 as an operating reserve and \$200,000 for unspecified future projects.

Temporarily restricted net assets at June 30, 2014 and 2013 were restricted for the purpose of creating a media justice toolkit.

NOTE 5 – LEASE OBLIGATIONS

Operating Lease

WORT leases tower space for its antenna used in broadcasting under a three-year lease that expires January 31, 2017. Current lease payments are \$2,429 per month. Total lease expense for the years ended June 30, 2014 and 2013 was \$28,338 and \$26,989. Future minimum lease payments for years ending June 30, 2015, 2016, and 2017 are \$29,755, \$31,243, and \$18,746.

Capital Lease

WORT leases equipment under a capital lease. Monthly lease payments are \$345. The economic substance of the lease is that WORT is financing the acquisition of the asset through the lease, and accordingly, it is recorded in WORT's assets and liabilities. The lease agreement contains a bargain purchase option at the end of the lease term. Interest expense on the lease obligation is immaterial. The leased asset included in property and equipment totals \$20,713 with accumulated depreciation of \$15,189 and \$11,047 at June 30, 2014 and 2013.

Future minimum payments required under the capital lease for years ending June 30, 2015 and 2016 are \$4,143 and \$1,381.

NOTE 6 – RETIREMENT PLAN

WORT maintains a SIMPLE IRA retirement plan for its employees. Employer contributions to the plan are 2% of the employee's annual compensation, and these contributions vest immediately. Retirement expense for the years ended June 30, 2014 and 2013 was \$6,010 and \$5,527.

NOTE 7 – DONATED MATERIALS AND SERVICES

The estimated fair value of donated materials and services recorded in the financial statements as follows:

	2014	2013
Donated materials	\$ 1,600	\$ -
Donated services		
Website and e-mail services	6,012	5,712
Telecommunications	3,000	3,000
Maintenance services	1,500	1,500
Donated materials and services	\$ 12,112	\$ 10,212

WORT relies on volunteers from the community to operate the station and receives in excess of 23,500 hours per year of volunteer service. The value of this service is not reflected in the financial statements as it does not meet the criteria for recognition.

NOTE 8 – CONCENTRATIONS

Economic Dependency

WORT receives a substantial amount of its support from the Corporation for Public Broadcasting (CPB) and from public donations. CPB has the authority to audit the costs associated with its grants. A significant reduction in the level of this support may have an adverse effect on WORT's programs and activities.

Broadcasting License

WORT is licensed to broadcast by the Federal Communications Commission. This license is subject to periodic review and renewal by the Commission. The current license is for an eight-year term ending December 1, 2020.

Collective Bargaining Agreement

WORT has a collective bargaining agreement with employee union SEIU Local 150 that covers full time staff. The agreement expires June 30, 2015.

Equipment Grants

A substantial portion of the station's broadcasting equipment was purchased under grants funded by the Public Telecommunications Facilities Program (PTFP). In order to insure that facilities funded under the PTFP will continue to be used to provide public telecommunications services, a ten-year Federal interest (lien) on the facilities is required. The PTFP equipment held by WORT as of June 30, 2014 is recorded at a cost of \$161,738, with accumulated depreciation of \$147,528.
